VERMONT MEDICAL SOCIETY RESOLUTION

Ensuring an Adequate and Effective Health Care Workforce
to Meet the Increased Demand for Health Services for an Aging Population

As adopted at the VMS Annual Meeting on November 4, 2017

RESOLVED, The Vermont Medical Society will urge the Governor of Vermont, the Vermont General Assembly, and the Green Mountain Care Board to support a work group to develop a strategy to ensure the state’s health workforce is adequate to meet the health care needs of the state’s aging population; and be it further

RESOLVED, The Vermont Medical Society will urge the Governor of Vermont, the Vermont General Assembly, and the Green Mountain Care Board to enact a warning system to assure the availability of an adequate and effective health care workforce supply in order to meet Vermont’s goal of providing access to high quality, affordable and accessible care for our population.
