1	VERMONT MEDICAL SOCIETY POLICY
2	
3	Aligning Coverage for Preventive Screenings with
4	United States Preventive Services Task Force Guidelines
5	
6	As adopted by the VMS Board on November 16, 2022
7	
8	
9	RESOLVED, the Vermont Medical Society will continue to advocate for the elimination of
10	copays and deductibles for nationally-recommended preventive services; and
11	
12	RESOLVED, that the Vermont Medical Society will urge the Vermont legislature, along
13	with Vermont regulators and insurance carriers, to require coverage for all preventive
14	screenings:
15	• to follow at a minimum, the Unites States Preventive Services Task Force screening
16	Grade A and Grade B recommendations, rather than include overly-specific age or
17	other eligibility requirements; and,
18	• to be, at a minimum, as comprehensive as those provided by the Affordable Care
19	Act.
